In October 1932 a vision was born for Stockport and the North West in the form of a Super Cinema and Variety Theatre with a sumptuous Café that would evoke the glorious glamour of the era in a building that was a palace for the giant silver screen, the greatest stage productions and delightful fine dining for the entire family to enjoy. Over 80 years later we are still providing you with this service in the finest Art Deco surroundings.

This brochure that you are holding contains information about a host of sensational big screen and live stage events including this year's blockbusting family pantomime 'PETER PAN' which stars the truly 'nastiest' Captain Hook imaginable played by the fabulous JOHN ALTMAN known to millions of TV fans as 'Nasty' Nick Cotton from Eastenders.

2016 has seen the launch of 'The Green Room' for superb cabaret style events and the success of this wonderful performance locale goes from strength to strength whilst our Silver Screen Film Concession which we also launched this year can be found on a number of the cinematic presentations detailed in this brochure.

Finally, did you know that The Plaza has been the bespoke wedding venue of choice for many wonderful couples over the years and we continue to have the honour of being part of these life time celebrations to this very day. If you are seeking the perfect location for your family celebrations, meetings or corporate events please do not hesitate to contact our Events and Hospitality Manager Vicky Cruse and her details can be found on Page 63 within this brochure.

## FILM: A CLOCKWORK ORANGE

Friday 3<sup>rd</sup> June at 11.00am & 7.30pm

Stomping, whomping, stealing, singing, tap-dancing, violating... Derby-topped Teddy boy hooligan Alex (Malcolm McDowell) has his own way of having a good time. He has it at the tragic expense of others... Alex's journey from amoral punk to brainwashed citizen forms the dynamic arc of Stanley Kubrick's future shock vision of Anthony Burgess' novel.

Unforgettable images, startling musical counterpoints, the fascinating language used by Alex and his pals – Kubrick shapes them in a shattering whole. Hugely controversial when released, the power of its art is such that it entices, shocks and holds us in its grasp.

### FILM: YIELD TO THE NIGHT

90 years ago on the 9th October 1926 Ruth Ellis, the last woman to be executed in the UK after being convicted of the murder of her lover (David Blakely), was born in Rhyl.

Yield to the Night saw Dors subvert her rather superficial image as nothing more than a blonde bombshell in the role of Mary Hilton: a woman used and abused by men all her life until one day she snaps and murders her lover's new mistress. With plot details borrowed from the infamous Ruth Ellis hanging barely a year before, the film proved a controversial addition to the capital punishment debate, as well as Dors' worth as a fine dramatic actress.
