### Terms and conditions

We retain the right to review, amend or withdraw the Access Register and revoke Access registration if the customer's eligibility changes.

We will require proof of eligibility for complementary personal assistant tickets, and further details can be found on the registration form. Customers who intentionally give false information will have their registration revoked.

Complimentary Personal Assistant tickets are available at The Plaza's discretion to those who need assistance to move safely around the venue. Anyone designated as a Personal Assistant must be able to assist the person they are attending with, with both their access requirements whilst in the building, and to leave the building in an emergency.

While we will always do our best to seat you in the most appropriate area for your requirements, we cannot always guarantee that ideal seats and / or wheelchair spaces will be available, especially at short notice. We would recommend booking as far in advance as possible.

By joining the Access Membership Scheme and purchasing a disabled concession or Personal Assistant ticket(s) you agree that the ticket(s) will only be used by a disabled person (as defined by the Equality Act 2010) and his/her companion.

An application to join the Access Register can be made either by the person with a disability or by a Personal Assistant if they will be booking tickets on behalf of the person with a disability. If you are a Personal Assistant who cares for more than one individual, you will need to apply separately for each person that you assist.

Our standard terms and conditions of sale apply to all bookings.
